Data visualization using Tableau and Power BI.

EDUCATIONAL BACKGROUND

PROFESSIONAL QUALIFICATIONS

ISTQB CERTIFICATION

ANDROID ENTERPRISE CERTIFIED EXPERT – GOOGLE

JavaScript Essentials with CISCO.

Certificate of Statistical data analysis and data visualization Software's.

Certificate of Proficiency in Computer Packages.

BACHELOR OF SCIENCE IN OPERATIONS RESEARCH

Jomo Kenyatta University of Agriculture and Technology

September 2017 - June 2022

KENYA CERTIFICATE OF SECONDARY EDUCATION

Buhuyi Secondary School

January 2013 - December 2016

KENYA CERTIFICATE OF PRIMARY EDUCATION

St John's Primary School

January 2001 - December 2012

SKILLS

Software Test Execution tools - Automation using Robot Framework, Appium, Selenium, Postman and GitLab.
Android Enterprise Engineering solutions such as MDM, EMM, Zero-touch Enrollment and Work Profiles.
Expert in DPC, ensuring security, compliance, and data protection using Managed Google Play and OEMConfig
Software Test Design and Implementation tools – Gherkin.
Non-Functional Testing Tools – Apache JMeter, K6.
Software Test Management tools and Frameworks – JIRA.
Working knowledge of front-end web development technologies such as HTML, CSS, JavaScript and REACT.
Data Science, Data analysis and Machine Learning Techniques.
Data visualization – Qlik Sense, Power BI, Tableau, Matplotlib and Seaborn.
Programming skills - R language, Python, Stata and SPSS.
Excellent research skills especially well conversant with projects, Quantitative data gathering techniques etc.
High knowledge in relational database and SQL.
Experience with Agile or Scrum methodologies.
Proficiency in Microsoft outlook.

INTERESTS

Research Activities and Innovations.
Technology.
Graphics and Web design.
